

## **Korzybski Summer Seminar**

Sign up for this 4-day immersion in to the Bruges Model for Solution Focused Therapy.

English spoken, this Summer Seminar will for the first time invite an international group of colleagues in to the heart of one of world's oldest and most reputed Solution Focused Training & Research Institutions.

You will be trained by a variety of Korzybski Staff Members on the basics of the Bruges Model and its diverse applications on mental health with adults, families, youngsters and children,....

The first evening the Korzybski tradition will be honoured as Korzybski trainers will personally prepare you a welcome dinner.

Included in the price are:

- 4 day-course from 09:00 till 15:30.
- Dr. Luc Isebaert's most recent book.
- The traditional Korzybski welcome dinner.
- An educational and enjoyable beer tasting experience.
- A cold lunch, coffee and snacks every course day.
- A Goodie Bag.
- A framed Korzybski Summer Seminar Certificate.

Price : €650

Dates : 27,28,29,30 June 2019

Location : SFX Hospital in the ancient Bruges city centre.
